

## Quarterly Report

30 June 2022

Cradle Resources Limited (**Cradle** or the **Company**) is pleased to provide its Quarterly Report for the quarter ended 30 June 2022.

### Corporate Activities

Following disposal of its main undertaking (the interest in PHT) in the September 2021 quarter, the Company was advised by ASX that, in their opinion, the Company's current operations are not sufficient to warrant the continued quotation of its securities. Trading in the Company's securities was suspended pre-open Thursday 13 January 2022.

During the quarter the Company has reviewed and assessed several projects in both the resources and energy sectors located in Australia and overseas. Since disposing of its interest in PHT, the Company has reviewed more than 50 projects across more than 10 countries. Many of the projects reviewed were not advanced enough for the Company to take further, others were in jurisdictions that carried significant sovereign risk and some projects were too expensive for Cradle and its related corporate structure.

Identifying and acquiring a project that will add shareholder value can take significant time and resources. The Board is focused on finding a project that will add value to shareholders and increase the share price over time. The Board strongly believes that the best outcome for Cradle will be finding an opportunity that has the potential to provide an appropriate level of upside from a growth perspective.

ASX will require the Company to seek Shareholder approval pursuant to Listing Rule 11.1.2 and re-comply with Chapters 1 and 2 of the Listing Rules pursuant to Listing Rule 11.1.3 with respect to any future transaction/project acquisition the Company may enter into.

The Company will keep shareholders informed of progress and will make an appropriate announcement when it is in a position to do so.

### Funding

Subsequent to the end of the quarter, the Company entered into an agreement with Davey Management (Aus) Pty Ltd ("**Davey Management**"), also a related entity of Mr Grant Davey, whereby Davey Management agreed to provide a loan facility of up to \$500,000 to the Company. The key terms are:
