

## Quarterly Report

31 March 2023

Cradle Resources Limited (**Cradle** or the **Company**) provides an update on its activities for the quarter ended 31 March 2023.

Cradle is currently actively seeking project acquisition opportunities.

### Corporate Activities

Following disposal of its main undertaking (the interest in PHT) in the September 2021 quarter, the Company was advised by ASX that, in their opinion, the Company's current operations are not sufficient to warrant the continued quotation of its securities. Trading in the Company's securities was suspended on 13 January 2022.

During the quarter the Company has continued to review and assess projects located in Australia and overseas in both the resources and energy sectors. The Board has actively considered 4 opportunities based on high level due diligence but none of these have, in the Board's assessment, presented requisite value for shareholders.

Many of the projects reviewed by the Company were not advanced enough for the Company to take further, others were in jurisdictions that carried significant sovereign risk and some projects were too expensive for Cradle and its related corporate structure. The Board continues to weigh carefully the value presented by all opportunities considering these and other factors.

Identifying and acquiring a project that will add shareholder value can take significant time and resources. The Board remained focused on finding a project that will add value to shareholders and increase the share price over time. The Board strongly believes that the best outcome for Cradle will be finding an opportunity that has the potential to provide an appropriate level of upside from a growth perspective.

ASX will require the Company to seek Shareholder approval pursuant to Listing Rule 11.1.2 and re-comply with Chapters 1 and 2 of the Listing Rules pursuant to Listing Rule 11.1.3 with respect to any future transaction/project acquisition the Company may enter.

The Company will keep shareholders informed of progress and will make an appropriate announcement when it is able to do so.

### Funding

The Company's cash balance at 31 March 2023 is \$7,506. In the previous quarter the Directors agreed to defer payment of all Directors' fees and not seek payment to the extent that Cradle does not have the financial resources to pay Directors' fees.

Matador Capital Pty Ltd ("Matador Capital"), a related entity of Mr Grant Davey, provides office space, general office services, bookkeeping and accounting services and IT hardware & infrastructure pursuant to the Cost Sharing Agreement and the Office Use Agreement. Matador Capital has agreed not to charge these costs to Cradle while Cradle does not have the financial resources to pay these costs.

The Company has a loan facility with Matador Capital of \$500,000 which remains undrawn. Refer to Appendix 5B section 7.6 for further details.

**Payments to related parties of the entity and their associates**

There were no payments to related parties and their associates during the quarter.

**Authorised for release by the Board of Directors.**
